REQUEST FOR PROPOSAL FLAT RIVER FOUNTAINS

The City of Lowell is issuing a Request for Proposals to solicit proposals from qualified firms to supply and/or install between two (2) to three (3) decorative lighted complete fountain packages in the Flat River in Lowell, Michigan, adjacent to the Lowell Showboat VI. The intent of the fountain installation is to provide a decorative lighted element, circulate water adjacent to the Lowell Showboat, aerate the water, de-ice areas adjacent to the Lowell Showboat, and create an additional point of interest on the Flat River.

The available budget for the project is \$30,000.

A complete copy of the RFP can be obtained from:
